--------------------------	----------------

I / we agree to comply with all conditions, restrictions and regulations of the County Engineer's office in the construction of the driveway or ditch enclosure that is within the road right of way at the approved profile as shown in the Engineer's standard drawings and will refrain from constructing curbs, head walls or other such obstructions that could create a hazard to traffic or hamper maintenance operations of the County Engineer in consideration for being granted this permit. I / we also understand that, prior to installing any pipe or making any excavation, the Ohio Utilities Protection Service (OUPS) must be notified not less than two (2) business days prior to construction.
