Jennifer Horstman with Pathways & ADAMHS Board met with Commissioners Schlumbohm, Wehri and Brubaker to give them some updates and to discuss the Putnam Family and Children's First Council (FCFC) questions that have come up with Beth Tobe's contract. Jen shared the 25 fiscal year annual report with the Commissioners showing where the money has been spent. She also explained the grant funding and the counseling services that are contracted. They fund Pathways through the schools with levy money. Beth Tobe's compensation was brought up. Beth is employed through Pathways. Beth works for the Family & Children First Council who contracts with Pathways. The council pays Pathways for her hours. Beth's pay has increased so that creates a larger expense for FCFC. The insurance increase was missed last year and is being made up this year. FCFC will vote on that for the coming year and will be reviewed each year. There are some changes at the state level the director resigned. The local board is very cautious in operating. The loss of the levy money would be very detrimental. The change that would happen if the property taxes would go away were

discussed. The loss of services if the funds are not there. Pathways is looking for a new director since the current one is retiring.

The business agenda was held with Commissioners Wehri, Schlumbohm & Brubaker and Cindy Landwehr, Clerk.

The minutes from Tuesday, October 7, 2025 were reviewed and approved.

Tim Schnipke came in to inform the Commissioners that the window replacement at the Annex has hit a snag. The windows on the sides of the Annex do not match they are different sizes east side windows are an inch shorter. Tim said if they can provide the correct glass for the windows and gaskets for the windows, maintenance can replace the remaining window glass. The change order would be the additional gaskets for maintenance to change out the remaining windows. Tim asked about repairing the cylinder on the county's backhoe. Tim will look at getting it repaired. The National Guard stone sign on the front of the Annex does not look good, it is deteriorating. Sewer Dist. #1 pump station B needs a new transducer, Tim is getting prices for a new part. The striping of the parking lot at the Health Dept will be done.
